DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: there are no prior arts teaching or suggesting of an alarm system comprising:

an alarm controller;

a remote input/output device;

a single cable extending from the alarm controller to the remote input/output device, the cable comprising only two conductors providing power to the remote input/output device;

a signal processor at the controller monitoring and processing voltage and current fluctuations in the conductors and controlling functions of the alarm system; and

a mixer at the remote input/output device operative to affect current and voltage at the two conductor cable, wherein the mixer applies said predefined voltage and current levels to the two conductors, and wherein both the signal processor and mixer transmit and receive signals via the two-conductor cable.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
